

WITNESS ACCUSES ONE DEFENDANT OF ATTEMPTED BRIBERY

Antioch Baker Says Was Offered State Job to Get on Jury

(By The Associated Press)
WAUKEGAN, Ill., July 5.—One of the three defendants on trial here for conspiracy to obstruct justice, growing out of the trial and acquittal of Governor Small last summer for conspiracy, was accused of attempted bribery today when Thomas E. Sommerville, Antioch, Ill. baker, and one of the veniremen called in the Small trial testified Edward Courtney, a defendant, promised him a state job if he would get on the jury and vote for acquittal.

Edward Kaufman, another defendant, also was identified in open court as the man Sommerville testified he saw several times about Antioch in the company of Courtney. Sommerville also testified he had seen J. B. Fields, third defendant and a member of the Small jury who lives in Antioch with the other two defendants on one occasion after the trial.

Sommerville's testimony came as a surprise after a morning and a part of an afternoon court session of uneventful testimony in which A. V. Smith, state's attorney, is attempting to prove Kaufman and Courtney were busy about Lake county during the trial, bringing veniremen to vote for acquittal for Governor Small. He charged in his opening statement that Kaufman and Courtney gave William J. Riley, Antioch saloon keeper, \$1,000 which was to be split fifty-fifty between Riley and Fields. He declared Fields obtained \$350 of this money. Sommerville testified Courtney came into his bakery in Antioch and after discussing the trial asked if he was called as a venireman.

When told that Sommerville had been summoned the witness testified, Courtney told him he could get a good state job if he would get on the jury and vote for acquittal. The jury was completed before Sommerville was called for duty, he testified.

In cross-examination, William Scott Stewart brought out the fact that Sommerville had been confined in the state asylum at Elgin for three months. Further efforts to enlarge upon this by defense attorneys were stopped by Judge Jacob Hopkins, presiding in the case, who ruled this was not brought in direct examination and could not be touched in cross-examination.

Previous to Sommerville taking the stand, Joseph Hahn of Antioch, venireman called for duty in the trial, but excused, testified that Riley came to his boarding house the night he received a subpoena for jury duty and promised him a good job if he would vote for acquittal. Hahn testified Riley told him there was "more money on that jury than in the ice business." Hahn was employed at the local ice plant.

Under cross-examination Hahn failed to identify Courtney and Kaufman who stood up in court, as the two men he said had been standing a few feet away from their coat collars turned up while Riley made the offers. He said that it was dark and that his back was to the men and he paid no particular attention to them.

William F. Zeigler, cashier of the State Bank of Antioch, testified Fields opened a checking account in their bank July 8, 1922, shortly after the close of the trial. Fields' attorneys stated he would take the stand in his own defense and "satisfactorily explain" this as well as other points in the state's case against Fields. Leslie Small, son of Governor Small, and Werner W. Schroeder, attorney for the governor during the trial are scheduled to appear as state witnesses tomorrow morning, as well as William J. Riley, who has been held under custody by State's Attorney Smith, since an alleged confession which is reported to have started the grand jury action which resulted in indictments against the defendants.

An attempt will be made, Smith said, to complete the state's side tomorrow.

Defense attorneys indicated all three defendants probably will take the stand in their own behalf when evidence is started by that side. Stewart, attorney for Kaufman and Courtney, said they probably would take the stand, while Fields' attorney was positive in his declaration Fields will testify. The identity of other witnesses the defense intends to question was not disclosed.

MINORITY HERRIN RIOT REPORT HAS BEEN PRESENTED

Pierce and Curran Exonerate the Military Department

(By The Associated Press)
SPRINGFIELD, Ill., July 5.—Exonerations of the military department of the state of blame in connection with the Herrin mine riots of last June is contained in a minority report of the house investigating committee filed today by Representatives Pierce of Boone county and Curran, of Chicago, two Republican members of the committee.

The tardy report was handed to George D. Sutton, the governor's secretary by Colonel Samuel N. Hunter and later was delivered to Bert McCann, clerk of the house. It was delayed by the fact that Mr. Pierce is engaged in the trial at Waukegan of J. Bierney Fields, one of the jurors in the Small trial, charged with conspiracy.

The report holds that Adjutant General Black and Colonel Hunter's personal emissary at Herrin prior to and during the riots, were not to be blamed "because they could not anticipate the action of the mob."

"The same results might occur in any community in the state of Illinois," the report stated. "The committee finds that Adjutant General Black and Colonel Hunter acted upon information at hand and were unable to anticipate the action of the mob."

"The evidence heard by the committee is of such controversial nature," the report continued, "that we are unable to definitely fix responsibility because of the mob spirit prevalent at the time nor that there was any real or intentional neglect on the part of the public officials. Therefore, in accordance with the report of the board of officers from the military department the committee believes that this massacre could not have been anticipated and that everything that could be done had been done by the state to forestall this trouble."

STATEMENT MAY BE ISSUED BY GERMANS SOON

Will Deprecate Sabotage and All Active Resistance

(By The Associated Press)
BERLIN, July 5.—The German government is expected to issue forthwith a statement deprecating sabotage and all forms of active resistance in the Franco-Belgian occupied areas. Chancellor Cuno has been having discussion with Monsignor Pacelli, the papal nuncio, whom Pope Pius sent here from Munich to make intercessions on the subject of the Ruhr campaign.

The chancellor is understood to be most desirous that German resistance in the occupied territories shall be strictly passive, and in Reichstag circles it is fully expected that the government will make an announcement within the next twenty four hours voicing its opposition to an active resistance in any form against the French and Belgians in the occupied territories emphasizing that deeds of this nature are likely to jeopardize Germany's interests abroad.

The federal and Prussian cabinets held a joint session this afternoon for consideration of the Ruhr situation and the passive resistance campaign.

OFFICIALS HELD ON MURDER CHARGE

CHICAGO, July 5.—James Karlvorsek, a member of the board of trustees and constable of Justice Park a suburb was arrested on a charge of murder today following an inquest into the death of Richard Deruttier, who was shot and killed after a quarrel over a dice game at a Fourth of July picnic. Witnesses today testified that Karlvorsek shot Deruttier when he found Deruttier and another man quarrelling over the game. The inquest was continued until July 12.

WILL SEIZE FIGHT PICTURES ON ARRIVAL

Chicago, July 5.—Department of Justice agents waiting at an airplane landing field here to seize pictures of the Dempsey-Gibbons fight at Shelby, Montana, yesterday which are being sent here by plane, called it a day late tonight after learning that the plane had not reached Minneapolis because of adverse weather conditions. The federal officers planned to seize the pictures on arrival here on charge that the company transporting them had violated the law prohibiting the interstate shipment of fight films. The company transporting the pictures maintains that they are pictures of Shelby and of the crowd and that pictures of the actual fight are not included.

FIVE MEN DEAD, 18 INJURED IN TRAIN WRECK YESTERDAY

Killed and Injured Members of Work Gang on Road

(By The Associated Press)
Five men are dead and 18 injured as a result of the derailment of a Chicago, Milwaukee & St. Paul fast freight train at Fairdale ten miles east of Davis Junction at 5:30 this afternoon according to members of a relief train which brought eleven of the more seriously injured to hospitals here tonight.

All were members of a work gang which had been working between Leaf River and Davis Junction and which was being transferred into Chicago. The gang originally came from Omaha. The wreck was caused by a broken rail. Thirty-five cars, several containing livestock went into the ditch. Traffic on the Omaha main line was blocked. Victims of the wreck were riding cars in the center of the train. None of the train crew was injured.

First aid was given injured by residents of Fairdale. Several less seriously injured were cared for in the village, the more seriously injured were brought here. Names of the dead were not available as the records of the foreman were lost in the crash and railroad officials have not checked the gang.

The dead are:

George Henton, 50, negro, Chicago.

Walter Rooves, 37, negro, Omaha.

Henton, negro.

Livingstone, negro.

Two unidentified negroes.

Seriously injured in Rockford hospitals are:

John O. Houck, 23, San Francisco, Cal., fractured skull, internal injuries; condition critical.

E. R. Wood, 26, Salt Lake City, Utah, fractured skull, right leg twisted nearly off and possible internal injuries.

An unidentified man, fractured skull and other injuries; condition critical.

Fred Elen, 40, Chicago, severely hurt and bruised about the head and body.

Jack Smith, negro, 23, internally injured.

Herman Schroeder, 33, several broken ribs, injured arms, ribs and shoulders.

Walter Gogola, 18, Chicago, injured right hip and leg.

Eugene Wisdom, negro, 31, Minneapolis, Minn.; deep gash in head and body bruises.

Jessie Clark, negro, 31, Atchison, Kans., right leg fractured in two places; severe body bruises.

Albert Gentry, negro, 34, Kansas City, Mo., severely bruised about body and facial lacerations.

PRESIDENT IS GIVEN GREAT OVATION AS HE EMBARKS FOR ALASKA

First President to Visit Country Since it Came Under Our Flag

(By The Associated Press)
TACOMA, Wash., July 5.—In the midst of the blaring of bands and the farewell cheers of thousands of Tacoma citizens, President Harding sailed today for Alaska, the first chief executive of the nation to visit that territory since it came under the American flag fifty-six years ago. A few minutes after 2 P. M., the scheduled hour of departure, the United States naval transport Henderson, which for the next twenty days will be in reality the white house, got away, circled the harbor and steamed past the Tacoma stadium, where a few minutes before the President and Mrs. Harding had received the godspeed of Governor Hart of Washington and where the president declared himself for an American merchant marine, second to none.

LEAVES FOR VISIT TO THE WEST

J. P. Lippincott will leave today for Manhattan, Kans., to spend several days with his son, Dr. W. A. Lippincott, who is soon to leave for his new home at the University of California.

Mr. Lippincott will go to Dover, Mo., for a more extended visit with his daughter, Mrs. Lucia Smith. Mr. Lippincott expects to return to Jacksonville some time between the 15th of August and the first of September.

WILL VISIT IN DENVER

Albert Phillips an employee of the Alton freight office is accompanying his wife and children Robert and Frances to Denver Colorado this evening where he will visit for eight or nine days with Mrs. Phillips' sister, Mrs. Otto Spratt and family. Mrs. Phillips and children will probably stay for the rest of the summer.

MAMMY O' MINE

Women of the south will raise enough money to pay for this model of the Mammy Statue, made by U. S. J. Dunbar, prominent sculptor. His model, being considered by the Fine Arts Commission, will be erected in Washington, D. C.

Negro Sought For Murder Of Girl

REDS TRY TO CONTROL FARMER LABOR PARTY AT CHICAGO CONVENTION

(By The Associated Press)
NEW YORK, July 5.—The police tonight were seeking a vagrant negro with his coat turned inside out, who is suspected of having murdered Dorothy Kaufman, a governess in the home of Magruder Craighead, in the fashionable suburb of Scarsdale last Tuesday. The Craigheads had gone out of town, leaving the governess alone in the house. The body was not found until yesterday and the discovery did not become known until today. The girl's parents live in Somerset county, Maryland.

The body was found by Madeleine Harmer, a friend of the dead girl. Medical authorities found that an attempt had been made to assault the girl, after which her back had been slashed seven times and her throat cut. The knife with which the governess was slashed lay in a corner of the room in which the body was found. Because of the brutality which marked the crime, the police expressed belief that the murderer was either a drug addict or mentally deranged.

Suspicion pointed to the vagrant now being sought when the police learned that he had asked Frank Costello, employed at the Sunnyside Golf club nearby for the whereabouts of a "Tony." Costello said he knew no Tony and the negro departed. Later he was reported to have been seen at the Craighead home.

Still later he was seen by Charles Baldwin, another negro employed in an estate nearby vaulting a fence. His coat was turned inside out and the police advanced the theory that this might have been done to hide bloodstains.

Baldwin told detectives he had seen the other negro drop a box of crackers from his pocket when he leaped the fence. This box is in the possession of the police who are comparing finger marks found on it with those on the knife handle.

Little was known of Miss Kaufman's personal history, but it was reported that she formerly was a rural school teacher. She had been teaching the two Craighead children for about a year. The police were unable to learn from Miss Harmer and other friends whether she had had a love affair at any time.

The condition of her clothing and a slash on one hand bore evidence of her death struggle. Her body was found lying face downward beside her bed.

BIRTHDAY SURPRISE FOR LITERBERRY MAN

J. J. Hagen was given a very pleasant surprise last night at his home in Literberry. The affair was arranged by Mrs. Hagen in honor of the thirty-first birthday anniversary of her husband. There were twenty-one in the company and although their arrival took Mr. Hagen altogether by surprise, he nevertheless made his guests welcome. The evening was very pleasantly spent with card and other games, and at a late hour delicious refreshments were served. When the guests departed it was with the hope their host may have many more such anniversaries.

MORE CAUSES FOR WAR NOW THAN IN 1914—UNDERWOOD

This is Message Senator Brings Back from Europe

(By The Associated Press)
WASHINGTON, July 5.—More causes for war exist in Europe today than in January, 1914, Senator Underwood of Alabama, former Democratic floor leader in the senate, declared today in a speech he made during a trip abroad.

While he contended the United States must aid Europe in adjusting its affairs, he asserted nothing in that direction could be accomplished by joining an international court of justice.

No reference was made in the statement to domestic politics, announcement before his departure for Europe that he would discuss the possibility of becoming a presidential candidate as urged by his friends, on his return.

Declaring that nothing should be done by the United States to assist in the solution of European problems, Senator Underwood insisted that this country could not escape its obligations. If there is not war, he asserted, "it will be solely because Europe is financially and economically exhausted."

"We are not a party," he continued, "to the causes of the strife as they exist today in Europe, and theoretically it certainly is not necessary for our country to become involved."

"We must remember that in 1914, when war broke in Europe we stood for peace. "In 1917 we were in the war and sons of America were dying on the battle fields of Europe. I cannot believe that the people of America have forgotten their pledges to aid in securing the peace of the world, that they have forgotten that our men and women said that we were fighting that we might make the world a better place in which to live."

SANITARY DISTRICT TRUSTEES PLAN TO OPPOSE DECISION

Appropriated \$100,000 for That Purpose Thursday

(By The Associated Press)
CHICAGO, July 5.—Trustees of the Chicago Sanitary district to oppose the recent decision of Federal Judge George A. Carpenter allowing the sanitary district to take but 4,167 cubic feet of water per second from Lake Michigan, less than half the amount being taken from the lake at present. The money it was said will be used principally in gathering data to be used when the case is carried to a higher court. Several states bordering Lake Michigan have taken legal steps to restrain the sanitary district from taking the present amount of water from the lake claiming it was detrimental to shipping.

ONE BURNED TO DEATH WHEN PLANE CRASHES

(By The Associated Press)
CHICAGO, July 5.—Charles L. Arnold, 35 years old, was burned to death and Harry Richards was probably fatally injured when an airplane in which they were riding dived from a height of several hundred feet and caught fire as it crashed here this evening. Richards is suffering in a hospital from internal injuries and burns.

Arnold was learning to fly and Richards was instructing him. Arnold was strapped to his seat and was unable to escape from the burning plane which caught fire after it had gone into a tail spin when about 500 feet above from the plane as it fell.

SAID MEN KILLED BELIEVED TO BE TRAMPS

Chicago, July 5.—Officials of the Chicago, Milwaukee and St. Paul railroad said reports from Superintendent Lollis of Savannah Ill., on the wreck of a freight train at Fairdale, Ill., late today were to the effect that four men were killed and eight were injured and that all of the men were believed to be tramps, none of them being in the employ of the road.

A thunderstorm caused the balloon to come down. Seven of the thirteen balloons which started in the race have landed. McCullough had travelled approximately 32 miles.

THIRTY FIVE DEAD MANY ARE INJURED IN CELEBRATIONS

Fourth of July Claims Largest Toll in Several Years

(By The Associated Press)
CHICAGO, July 5.—Thirty five deaths and more than six score of injuries were caused by fireworks and Fourth of July celebrations this year, a check of casualties reported from all parts of the country showed tonight.

The number is believed to be the largest reported in the several years that safety advocates have been promoting the idea of a "safe and sane" Fourth of July.

Fireworks and firearms were responsible for a large percentage of the deaths, altho automobile accidents and drownings in connection with Independence Day celebrations helped to swell the total. Most of the deaths reported in the east, Ohio heading the list of fatalities with ten. Thirteen deaths were reported in the middle west and four were reported in the south.

In accidents resulting in injuries, Missouri reported 61 but many of them were minor. Illinois was second with 28 injuries, many of them serious.

Following is a table of reported deaths and injuries in the various states:

Ohio, Dead 10; Injured 0.
Illinois, Dead 5; Injured 28.
Pennsylvania, Dead 5; Injured 0.
Minnesota, Dead 4; Injured 6.
Michigan, Dead 4; Injured 0.
New York, Dead 3; Injured 12.
Louisiana, Dead 3; Injured 11.
Alabama, Dead 1; Injured 0.
Missouri, Dead 0; Injured 61.
Nebraska, Dead 0; Injured 6.
Iowa, Dead 0; Injured 4.
New Jersey, Dead 0; Injured 3.
Wisconsin, Dead 0; Injured 3.
Total Deaths 35; Total Injured 134.

FRED LUNDIN WILL TAKE STAND IN HIS OWN DEFENSE TODAY

Announcement Made by Clarence Darrow, His Attorney

(By The Associated Press)
CHICAGO, Ill., July 5.—Fred Lundin, political associate of former Mayor William Hale Thompson, and now on trial with fifteen others charged with conspiracy to take over \$1,000,000 from Chicago school funds, will take the stand in his own defense tomorrow, Clarence S. Darrow, his attorney, announced today. He will be preceded on the stand by the former mayor, several of whose appointees of 1917 are co-defendants of Lundin.

Several aldermen were called to the stand today in an effort to determine whether Lundin or anyone else had tried to influence them in voting in council. They declared they had always voted according to their own judgment. The defense also called a number of real estate experts to testify regarding the value of property leased by the board of education to a lime and cement company for an annual rental of \$800 in 1921 with an increase of \$100 every ten years. The state had contended the land was worth \$150,000 an acre. Witnesses today said it was worth \$4,000 an acre.

STATE STREET CHURCH PLANS TO REMODEL

Plans Will Be Drawn But Will Not Be Executed Until Prices Drop—Trustees Authorized to Redecorate

At a meeting of State Street Presbyterian church last evening it was decided to proceed with the formation of tentative plans for the remodeling of the church building. The plans will not be carried out until building prices fall.

It is planned to remodel the back portion of the building that contains the Sunday school and social rooms. This part will be greatly enlarged and built out toward the Court street front of the property. The church will have a new room for housing its organizations.

The board of trustees was authorized to arrange for the decoration of the church in August.

The building committee is composed of F. E. Farrell, C. A. Johnson, Mrs. William Floreth and Mrs. C. A. Barnes.

FORMER SPRINGFIELD MAN DIES IN CALIFORNIA

MRS. M'CORMICK PASSED AWAY IN CHICAGO THURSDAY

Widow of Cyrus McCormick, Inventor of Wheat Reaper

(By The Associated Press)
CHICAGO, July 5.—Mrs. Nettie Fowler McCormick, widow of Cyrus Hall McCormick, S. S., the inventor of the grain reaper and founder of the International Harvester company, died today at her home in Lake Forest of acute bronchitis. She was 88 years old.

Age and years of delicate health combined to bring a quick culmination to her present illness, which lasted only a week, death coming at 11 o'clock this morning. The following children Cyrus H. McCormick, Jr., Harold F. McCormick and Mrs. Emmerson Blaine were at her bedside when she died. Two other children Stanley of Tarrytown, N. Y., and Mrs. Virginia are returning to Chicago from California. The elder Mrs. McCormick one of the older generation of social leaders in Chicago, was known not only for her participation in society events which continued even to within a few weeks of her death but for her large philanthropic contributions.

Possibly her most outstanding gift to foreign education was that of a group of buildings to the Shantung Christian University at Tsinin, in Shantung, and the University of Nanking at Nanking, universities supported by the Presbyterians.

She is said to have given more money to the Presbyterian church than any citizen of the United States.

Mrs. McCormick was born in Jefferson county, New York, Feb. 7, 1835. She was the only daughter of Meloy Fowler, a prosperous farmer. In 1858 when a girl in her early twenties she married a young inventor whose achievement of fame and fortune was just getting under way.

A few years before Mr. McCormick completed his invention of the McCormick grain reaper. The reapers had become known to the world thru exhibitions in England and France.

She followed her husband out of the thickly settled east to Chicago, then a swamp city of the west. From then on the story of her life is closely woven with that of the social and philanthropic events of Chicago.

Few women did more to stabilize the uncertain pioneer society than did the gracious eastern bride of the rising young hardware merchant.

The great Chicago fire in 1871 destroyed the McCormick Works and wrecked much other property in which her husband had invested. With the courageous help of Mrs. McCormick the McCormick brothers rebuilt the plant and industry continued to prosper. The McCormick Theological Seminary is one of the principal monuments of her generosity with hospitals, schools and charitable institutions in every quarter of the globe.

Funeral arrangements have not been completed.

If prohibition ever does prohibit, what will the country do for a topic of conversation?

THE MOST BEAUTIFUL CITY.

"The home city," says Lorado Taft, American sculptor, "is the dearest place on earth. Why not make it the most beautiful?"

It takes a number of things to make a city beautiful. Trees and flowers and lawns are important. So are attractive and well-grouped buildings. Cleanliness, tidy streets, absence of smoke and unsightly rubbish heaps help. Good roads and an attractive park or two contribute much.

Not least among the attractions of any truly beautiful community are its happy, healthy children.

It takes work and civic pride and public consciousness to make

a town beautiful. With these things as a beginning, however, all the rest may be added easily enough. Jacksonville is well on the way to achievement of this ideal, "The most beautiful city."

ONE-BASKET PSYCHOLOGY.

Shelby, Mont., has been disappointed. Its great venture has been a failure. It has been unable to turn a big prize fight to its own profit. It has drawn upon itself the eyes of the world, but not exactly as it planned. So Shelby is disillusioned.

"This town is founded on oil," explains a sad Shelby lawyer to a correspondent. "If you want to sell oil, you've got to have oil psychology. We had it before they started this fight nonsense. People were standing around on the corner talking about gushers, and after they talked a while they'd come in and buy leases. You know, we really have got oil. Young man, I'm a small town lawyer, but I can give you an idea to take back east. When you start out to sell something put all your psychology in one basket."

THE PEACE PRIZE.

The "American Peace Award" of \$100,000 offered by Edward Bok is an admirable contribution to peace efforts. It is to be given to the individual or organization submitting the best plan by which the United States may co-operate with other nations to win and preserve world peace. As such, it is welcome. Whether anything practical will come of it within a measurable time is another question.

Half of the money is to be paid to the author of the plan when it has been chosen by the jury of award and the other half when the plan has been put into effect, or has won the united support of the American people. The competition ends next November.

No one wants to be pessimistic in a matter of this kind, with its solemn bearing on the fate of mankind, but it looks like a safe guess it will be long before the second half of that \$100,000 is paid.

Unfortunately the whole question of international peace co-operation has been bedeviled by political partisanship and bitterness in this country, and little can be expected in the way of national agreement until the ill feeling dies a natural death. They may take several years more.

Mr. and Mrs. Beryl Luttrell of Beardstown were in the city on business yesterday.

PAGEANT ON FOURTH WAS WELL PRESENTED

Many Witness Outdoor Features and the Signing of the Declaration of Independence Presented by Peoria Rotarians in the Opera House

The pageant which was arranged to open the festivities of the Fourth was a grand success and received favorable comment from all who witnessed it.

The Community Band opened the festivities with a concert which lasted about an hour on the platform which had been erected on the north side of the square. After the completion of the band program a band of Indians representing the early tribes and composed of members of Delaware Tribe I. O. R. M. took the stage for a pow-wow. George Washington, impersonated by C. J. Wright, then rode up to the stage and held a conference with the Indians before leaving for congress. On the retirement of the Indians the Knights of Columbus took the stage and produced "The Monroe Doctrine." W. T. Harmon as James Monroe reading the draft of the Doctrine after the rear of the stage had been decorated with a copy of the original flag showing the thirteen stars, by other members of his cabinet. Monroe and his cabinet then retired and the G. A. R. men took the stage to the tune of "Marching Through Georgia," followed by members of the United Spanish War Veterans uniformed and armed in accoutrements of that period and stepping to the tune of "A Hot Time in the Old Town, Tonight" which was the popular song of that day. Next came six nurses who had seen war service and wearing the much admired costumes of that service and they were followed by the American Legion in uniform and armed.

Coming on to the tune of "Over There." Following these, three members of the local howitzer company brought on one of the guns and mounted it for action. After the stage was all set with this patriotic representation Uncle Sam, impersonated by George Evers, accompanied the chaplain, Reverend Thomas W. Smith to the front of the stage and took their places while Hubert Littler led the crowd that numbered about 1000 people, in a community sing, rendering Illinois, America, and the Star Spangled Banner. While the last was being sung the flag was hoisted at the corner of the stage. It was noticed that in spite of both written and spoken requests there were a very few in the audience who would not or did not remove their hats in honor of the flag.

The chaplain then pronounced the benediction and the announcement was made that immediately the Peoria Rotary Club would present the signing of "The Declaration of Independence" in the opera house and immediately the crowd filled every seat in the house and a great deal of the standing room was taken. The Peoria Rotarians have certainly left a warm feeling in Jacksonville here without pay on a holiday to produce the most perfect patriotic pageant the city has ever witnessed and a man would be stony hearted indeed if he failed to feel that peculiar lump rising in his throat during the presentation.

The pageant was introduced by the reading of the prologue by Clarence Smith, which furnished the historical setting of the play. The curtain then rose on a scene representing a session of the Continental Congress, presided over by John Hancock. Every man looked and acted his part, particularly John Adams, with his impetuous temperament, played by Milo Reeves, Benjamin Franklin, played by John H. Brewer, who looked as if the original had stepped out of one of his pictures, and John Hancock, by W. E. Persons, who presided over the stormy session with ease and dignity and read the text of the immortal declaration in full.

At the close of the reading, C. L. Mathis, from the audience, moved its adoption, the question was put and it was adopted with a ringing chorus of ayes from the audience.

The curtain at the rear of the stage was parted and the spot light turned on a representation of the spirit of '76, the well-known figures of the drummer, fife and color-bearer of colonial days. The spot light shifted to the other side of the stage, and there stood General Washington, in full military uniform; then to the center of the stage, where an American flag was waving in the breeze.

CLOSING DEMONSTRATION OF THE D. V. B. S.

The four weeks community Daily Vacation Bible School, will come to a close on Friday night with a closing demonstration and exhibit at the Grace M. E. church. The exercises will take place in the auditorium of the church beginning promptly at 7:30 P. M.

The four departments will march into the church and be seated near the platform. This will consist of a song, the repeating of the Shepherd Psalm and a drill entitled "Soldier Boys." The Primary Department will then under the supervision of Miss Long and her assistants will then give a song called, "Little Eyes," followed by a caelestine drill. Little Virginia Weber will then sing, "The Story of the Birds." The children then will dramatize a song entitled "The Bird's Nest." The Junior Department will introduce themselves with a song. Some Bible memory work will then be shown, after which two Bible parables will be dramatized. A special piano solo will be given, followed by a wand drill under the direction of Miss Milbourn. Miss Grassley in charge of the Juniors promises a fine exercise.

The Intermediate Department in charge of Rev. A. P. Howells and his assistants will conclude the program with a demonstration of memory work, a popular D. V. B. S. song, electric map exercise, school yells, and a pageant entitled, "In Quest of Great Treasure," under the direction of Miss Rabinjohn.

After the exercises upstairs the exhibit of the craft work will be opened in the basement where baskets, hammocks, toys, pictures, work boxes, table mats and dozen of other things made by the children will be on display. The parents of the children and the friends of the school are cordially invited to attend this conclusion of 1923 community school. There will be no admission but a free will offering will be taken to assist in meeting the expenses.

WAVERLY BAND GAVE PUBLIC CONCERT

The Waverly band gave a public concert in the square at Waverly last evening under the direction of their conductor Ferd Godrick, of this city.

One of the chief attractions of the evening was Waverly's star vocal artist, Wayne Cody, who sang, "Love Sends A Little Gift of Roses" in a highly pleasing manner. Mr. Cody has for the past year been engaged in chautauqua and lyceum work as a member of the "Metropolitan Trio."

Last night's concert was one of a series that is being given by the band every Thursday evening from 8 to 9:30 o'clock. Director Goodrick stated that a large number of persons usually drive to Waverly from surrounding towns and Springfield to hear the boys perform.

FUNERAL OF WHITE

HALL WOMAN TODAY

White Hall, July 6.—Arrangements are being carried out for the funeral of Mrs. Andrew Scoggins, residing on Fulton street, at 2 o'clock this afternoon. The funeral party will leave Scoggins home at that hour for Mt. Gilead Baptist church, six miles east of Carrollton, and there the funeral services are to be conducted by Rev. Rody, and the burial is to be in the church cemetery, nearby. The minister performed her marriage ceremony just eight years before her death, which occurred at 3:15 p. m., last Tuesday, following an illness of only two days with acute indigestion.

Her maiden name was Myrtle March and she was the daughter of Rash March and was one of a family of fifteen children. With the death of the mother ten years ago, the family left the family home in the vicinity of Eldred and became widely separated. Our subject and Andrew Scoggins were married July 3rd, 1915, and they have since resided in White Hall. The husband and four children survive, one of the children being adopted.

WINCHESTER HAD FINE CELEBRATION

Parade Was One of the Features of the Day—Douglas Tablet Unveiled with Imposing Ceremony—Other Winchester News.

Winchester, July 5.—Winchester had a very nice celebration Wednesday. About 10:30 a fine parade moved from the monument grounds south to the square. In the parade were the band, mounted marshals, fire department, 100 little girls aged 5 to 10 years, dressed in white with red, white and blue sashes, little girls and boys on decorated bicycles, a number of boys representing the Lyric, citizens in decorated automobiles, business automobiles and floats, members of the Red Cross, boys and girls on ponies, children driving pony carts. The long line of automobiles made a very pretty showing and all who participated in it.

At 1:30 a number gathered at the Pieper building now the Winchester Implement Co., room where Hon. J. M. Riggs of Winchester and Ensley Moore of Jacksonville made brief speeches on Stephen A. Douglas. They told many interesting things about the early life of Douglas, and referring to the fact that at the age of 23 years he decided to come west from Vermont, and located first in Jacksonville, then in Winchester without any money but anxious to find something to do.

E. G. Miner, deceased, who was a prominent citizen, had a little store here at that time and when Douglas walked from Jacksonville to Winchester on account of no money Mr. Miner gave him a bed in the store and helped him to get his first school which was on subscription.

A bronze plate had been on the outside of the northwest wall of the building with the following inscription: "On this site Stephen A. Douglas taught his first school in 1833. Placed by the literature and civics department of the Winchester Woman's Club-1923."

While the band played the "Star Spangled Banner," James Riggs Jr., grandson of Honorable J. M. Riggs and Raymond Watt O'Donnell, great grandson of James Watt who owned the building at that time, unveiled the tablet.

At 2 o'clock the Merchants gift drawing was held on the northeast corner of the square. In the evening a dance was given in the center of the park and all during the day Gay Hutson of Jacksonville was here with his airplane and many enjoyed a ride in the air. Several private displays of fireworks on the square were enjoyed by the crowd. The day was perfect and was not marred by any serious accidents.

In the morning parade the prize for the best decorated business auto was awarded to Ralph Thomas, with the James Green Auto Supply House getting second place.

Best decorated private auto: Ist. M. E. and J. A. Higgins; 2nd William Miles Gish.

A prize was also awarded to the Red Cross float and another to the fire department.

Decorated bicycles: Ist. Vera Smith; 2nd Jane Johnson. Calithumpian contest: Ist. Spark Plug, driven by Cordell Moore and Junior Little; 2nd. White Mule ridden by Fred Hazelrigs.

Ponies: Ist. Annabel Moore; 2nd, Raymond O'Donnell.

Tharp Funeral

The funeral of Mrs. Ellen Tharp was held at the Methodist church at 3 o'clock Thursday afternoon, with the Reverend Clarence Nordling officiating.

Music was furnished by Mr. and Mrs. S. G. Smith accompanied by Mrs. J. W. Evkman.

The flowers were cared for by Mrs. Fred Coates, Margaret Simms, Esther Wilson, Katherine Carey and Beatrice Woodall.

The pallbearers were Curtis Carey, William Fearneyhough, William A. Frost, Robert McCarty, Eli Patrick and William Fletcher with interment in Winchester cemetery.

The infant son of Mr. and Mrs. Robert Daniels residing one-half mile west of Glasgow passed away at 12:45 o'clock Thursday afternoon. The funeral will be held from the home at 10 o'clock this morning with interment in the Glasgow cemetery.

Fred Borum and wife of Philadelphia were visitors in Winchester Thursday enroute to Muskogee Oklahoma to visit his parents. Mr. Borum was a resident of Winchester at one time and will be remembered by his many friends.

Hazel Andell and Russel Nash of Chapin left here Thursday morning to spend the day in Springfield.

Mr. and Mrs. Thomas Kirkman returned home Wednesday morning from a pleasant visit in Galesburg at the home of Mr. and Mrs. John Lashmet. They were accompanied to Galesburg by Mr. and Mrs. Thomas Lashmet.

Mr. and Mrs. Chester Smithson of Mattoon enjoyed the Fourth here with relatives.

Mrs. Albert Coults had been able to ride out the past two days. Her many friends will be glad to receive this news.

Mr. and Mrs. Wesley Taylor of Virden visited relatives and friends here Wednesday and Thursday.

The friends of Mrs. Anna Coults will be glad to learn that she is again able to be out.

Mr. and Mrs. Arthur Vinyard and wife son of Glasgow City visited at the home of Mrs. Stagle Wednesday and Thursday.

NATIONAL CITY MAN SPOKE TO KIWANIS

Ernest T. Ellington Addressed Kiwanis Club on Bonding.

The Jacksonville Kiwanis club was fortunate yesterday in hearing Ernest T. Ellington, district sales manager of the National City company, with offices in St. Louis. Mr. Ellington took as his theme the good that a bonding company does the country. Mr. Ellington's speech follows, in part:

The war demonstrated that not only large financiers, but men of moderate means as well may become investors in bonds. They have thus become a prey to peddlers, who have substituted for safe investments all kinds of worthless stocks. Millions of money are annually wasted in the agricultural regions of the middle west that might be saved through wise investments.

It is just as necessary that the legitimate capital requirements during the times of peace should be conserved as well as that of the destructive agencies which operate during times of war.

If our industries were unable to secure money to carry out their expansion programs, millions of men would be thrown out of employment, building operations would cease, prices would soar skyward, and from a condition of prosperity we would be quickly thrown into a disorganized state of rebellion, and create a breeding place for anarchistic tendencies of the most vicious sort.

If our cities and counties were unable to finance the paving of streets and highways, the building of adequate sewer systems, and of pure water systems, the health of the public would be seriously menaced and we would experience an epidemic of disease as destructive to human life as a period of war.

The purpose of the National City Company, with its world-wide organization and its competent staff of experienced men, to underwrite and distribute to the public, large bond issues for the financing of legitimate projects of this character.

MANCHESTER

Mr. and Mrs. J. C. Robinson and son Leonard and Willis Gray attended the funeral of Mrs. John Stewart in Waverly Tuesday.

CELEBRATION HELD AT MEREDOSIA

Program of Fourth of July Pleas-
ed Large Assemblage—Gift
Campaign Results Announced.

Meredosia, July 4—The Fourth
of July celebration here was a
great success. The Arenzville
band furnished an excellent mu-
sical program. Three colored
lads from Springfield and three
from Jacksonville staged a "bat-
tle royal" which was much en-
joyed.

At 10 o'clock came a patriotic
address by Rev. W. C. Heiderich.
At noon dinner was served in
the park, followed by a concert,
and then came the gift distribu-
tion, as the climax of a campaign
carried on for a number of
weeks by Meredosia merchants.
The judges were W. H. Roegge,
J. F. Brockhouse and C. H. Kap-

pal. The other officials were
Miss Erma Rausch, Miss Anna-
bel Hyde and J. L. Tischer. F.
J. Unland was fortunate in se-
curing the Ford car, and others
were awarded gifts which ranged
from a Monarch range to a bot-
tle of hair tonic were the fol-

until Sunday for the celebration.

The evening was spent very
pleasantly with games and music
on the victrola and delicious re-
freshments were served. Those
who assisted in the serving were:
Mrs. William Enke, Mrs. Paul
Barth, Mrs. Earl Little, Mrs.
Arthur Sandman, Mrs. Estel Lieb
and Miss Louise Berry. All de-
parted at a late hour wishing
their host many happy returns of
day. Mr. Sandman was the recip-
ient of a number of very accept-
able gifts.

Says She is the Happiest
Woman in Detroit

"I'm the happiest woman in
Detroit, and words just can't ex-
press my gratitude to Tanlac,"
declared Mrs. Jennie Country-
man, highly esteemed resident of
1265 Plum Street, Detroit.

"For nearly 10 years my liver
and kidneys bothered me so much
that each time I felt an attack
coming on I thought surely it
would be my last one. It used to
take me 15 minutes to get out of
my chair and I couldn't stoop
over at all without bracing with
my hands on my back. My skin
was a sallow yellow, and at
night my kidneys worried me so
much my sleep was broken.

"But by the time I finished my
Tanlac treatment I was like a
new person. My kidneys and liv-
er never bother me a particle
now, and I can stoop and bend
just as easily as I could, even
when a girl. My skin has a clear,
healthy color and I sleep like a
child all night without waking.
I can tell anyone how good Tan-
lac is."

Tanlac is for sale by all good
druggists. Accept no substitute.
Over 37 million bottles sold.

Tanlac Vegetable Pills are Na-
ture's own remedy for constipa-
tion. For sale everywhere.

IS THIS "CONTEMPT OF COURT?"

GEORGE M. BAKER
BORN DEC. 13, 1899
UNJUSTLY EXECUTED
IN WALKER COUNTY GA.
APR. 27, 1923

The nearly gates are shining bright, weep not for me, I am all right, waiting for you who found me guilty. My faithful petitions are answered in Heaven. I am at ease who slew me one day by execution.

This is a father's protest, causing a controversy in the south, against the state that took his son's life. It's over the grave of George M. Baker, who died on the gallows in LaFayette, Ga., April 27, for the murder of Deputy Sheriff J. W. Morton. His brother, Ralph, 15, now is serving a life sentence. The father moved to Tennessee soon after the execution saying he could live no longer in "unjust Georgia." The grave is at Ryall Springs, Tenn.

URGENT MOTHERS TO NURSE THEIR BABIES

SAN FRANCISCO.—(By the A. P.)—Animals care for their young today the same as they did centuries ago. Only the genius Homo has gone astray. Dr. M. M. Turner of Des Moines, Iowa, told the specialists in diseases of infants and children at the annual session of the American Medical Association here today. These words preceded an impassioned plea for breast feeding as the best method for the good of the race, and Dr. Turner urged physicians to adopt the information gathered from observation of animals to induce mothers to nurse their babies.

Dr. Walter F. Winholt and Professor E. O. Jordan, of the University of Chicago, told how babies catch cold. Their facts were based on a study of 500 with and 500 without colds, and it was shown that the occurrence of colds in infants usually accompanied by a high proportion of colds in the other members of the family. This fact causes the doctors to believe that colds are caused by a widely disseminated infectious substance of low infectivity, and that the incubation period, or the time required for this infecting substance to cause a cold, is very short.

The effects of colds in babies are more serious than in grown persons; particularly because they tend to deplete the digestion and other functions of the body, the physicians said.

AUSTRALIAN RHODES SCHOLARS LEAD IN STUDIES AND SPORTS

Melbourne, May 12. (By A. P.)—Australian Rhodes scholars lead in scholarship and scholastic honors among all the Rhodes scholars from British Dominions and the United States, according to the recent report of the trustees of the Cecil Rhodes Fund.

In Arts, Australian candidates who took honors of the first class are 38 per cent, as against 15 per cent for the United States, 14.5 for Canada, and 4 per cent for South Africa. The proportion of scholarships won by the scholars at Oxford is: Australia 15, Canada 1.5, United States 11, Australian scholars also lead in athletics during their stay at the university.

AMERICANS AID JAPANESE TO INCREASE SILK OUTPUT

Tokio, (By A. P.)—The visit of the American Silk Commission to Japan has brought forth fruit. The object of the commission was to try and induce the Japanese to improve their raw silk and the methods of marketing it.

To bring this about a new silk bureau has been organized by the Department of Agriculture, while the silk reeler themselves have decided to employ every possible means to improve the quality of Japanese silk.

Another suggestion of the Americans, the amalgamation of smaller mills, is being carried out. The importance of the silk industry is shown by the great increase in production. While in 1912 the value of the crop was 190,000,000 yen, it reached 950,000,000 yen in 1922.

WABASH ENGINE DERAILED

Salem Ladies Aid Met With Mrs. Burmeister.

The Ladies' Aid of Salem church met yesterday afternoon at the beautiful country home of Mrs. William Burmeister six miles east of the city. A large number of members and guests were present to enjoy the Burmeister hospitality and the excellent program that was given.

The meeting was opened with a reading of the scriptures by Mrs. Frank Green, president of the society and a prayer by Mrs. Sallie Hoagland.

The following program was then given:

"Signing of the Declaration of Independence." — Mrs. Frank Green.

Piano Selections — Mrs. Roy Fox.

Piano Selections — Mrs. William Ledford.

There was practically no business before the meeting except to decide whether or not the society would give its annual chicken fry. The question was decided in

favor.

The chicken fry will be given at the home of Mrs. Burmeister on Sunday afternoon.

TWO THOUSAND GATHER TO HEAR FIGHT RETURNS

Returns Were Received Over Journal Associated Press Wire —Many Telephone Calls Also Received

A crowd estimated at 2,000 gathered in front of the Journal office on the afternoon of July 4th to receive returns from the Dempsey-Gibbons fight. This is the largest audience that ever assembled to get the results from a sporting event in Jacksonville.

The Associated Press service was as usual first class and direct communication with the ring was kept at all times not one wire interruption occurring during the entire fight.

With hundreds of people at the race track and at various other places in Jacksonville the fight crowd showed that there is unusual interest in boxing events here.

Two telephones were kept busy answering calls in regard to the fight and many hundred calls were received.

FASHIONABLE BERLIN STREET A DOG MARKET

Berlin. (By A. P.)—Unter den Linden has become one of the world's greatest dog markets. Enterprising ex-soldiers and other Germans who have police dogs to offer, go to the heart of the tourist section of the city and parade their wares before the hotels and other centers thronged by foreigners, whose money stands high in relation to the declining marks.

While all the great police dogs of the wolf strain are muzzled and held on leash according to the municipal regulations, it does not prevent them from trying to fight. A police dog can fight more with a muzzle on than most other dogs can without one.

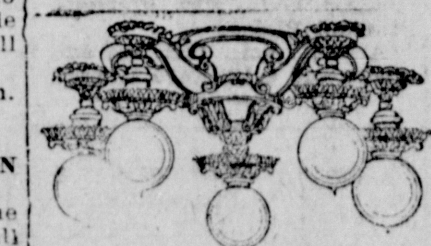

Several blind soldiers who patrol Unter den Linden, seeking alms are fed by giant police dogs, which are frequently attacked by strange dogs that are no respecters of disability and policemen have difficulty in protecting the blind men when they are drawn into such scrambles.

Mr. and Mrs. Charles Roseman and daughter, Miss Margaret Ray and Miss Leona Jackson of Waverly spent the Fourth with Mr. and Mrs. Ernest Watt.

C. H. Becker, Roland Stevens and Ora Neireiter of Fort Wayne Indiana spent the Fourth in Jacksonville with friends while en route to Portland Oregon.

WATER SYSTEM NEEDS FULLY EXPLAINED

Engineer Caldwell and City Of-ficials Tell What Should be Done at Plant—Larger Pipe to South Main Street Urgently Needed—Stand Pipe and Other Better-ments Must Come.

Members of the citizens water committee which served the city with such acceptance a few years ago and representatives of the city council met Thursday night with the directors of the Chamber of Commerce to consider some of the problems that are pressing with reference to the Jacksonville water supply. R. Y. Rowe served as chairman.

The formal report of the situa-tion was presented by H. L. Cald-well and the facts he outlined were supplemented by statements from Mayor E. E. Crabtree, Alderman T. A. Chapin, George Stoldt, superintendent of the water and light plant, and W. H. Cobb, water superintendent.

It was not the purpose of Mayor Crabtree and his associates in bringing the question before the assemblage to ask for any ac-tion or to suggest the way the question must be solved.

It was rather the intention to let this group of men know some-thing about the present difficul-ties with the thought that the dis-cussion resulting in after days as a still larger group of citizens comes to an understanding of the situation, will bring the right so-lution.

Larger Water Main
The greatest need is the in-stallation of a 16 inch water main from the pumping station to South Main street. It was explained by Mr. Caldwell that the pumping in-to the present 10 inch main re-sults in a friction which causes excessive expense in the operation of the plant, and fails to give en-tirely satisfactory results, to say nothing of the danger there is in keeping a main under excessive pressure.

When this new water main is laid, as it eventually must be, the route to be followed will be from the plant to Goltra avenue, then south to Chambers street and east to South Main street.

The second need of the plant is a larger stand pipe adjacent to the west reservoir. It was shown that the present stand pipe is not of sufficient capacity to make it possible to furnish residences in the west part of the city proper water supply pressure.

Furthermore, there are exten-sive leaks in the reservoir, a test recently made showing a loss of about 160,000 gallons per day from leakage. This means a real loss because of the expense sus-tained in treating the water.

Other Betterments
These two betterments, it is estimated would cost about \$60,000. The improvement program it was shown, in order to put the water plant into high class con-dition should include a 60 kilowatt generator at a cost of \$4,000 an addition to the boiler plant cost-ing approximately \$13,000, and a high lift pump, estimated to cost \$7,000.

The figures presented by Mr. Caldwell give proof of the large difference between the amount of water pumped and the amount of water sold, the leak at the pres-ent reservoir already mentioned accounting for a part of this loss.

The flashboard at the spillway has already been raised, thus greatly increasing the storage ca-pacity of the lake, so that there is now no question as to the ad-equacy of the supply. The trouble is with the distribution system, and it is improvement in this sys-tem that the council sees is great-ly needed.

The men who heard Mr. Cald-well's statement last night were especially interested in noting that while the larger pipe sug-gested would cost \$30,000 that saving in fuel alone would in about eight years repay this ex-penditure, to say nothing of the increase which would come from the ability to send a larger sup-ply thru the mains for a satis-factory distribution.

Citizens Views Wanted
No doubt all these questions will come up for further discus-sion and in fact that is just what the city authorities want. They have realized for many months past the defects and needs of the distributive system and recently have summarized these needs and the report presented last night represents the combined opinion of the officials mentioned.

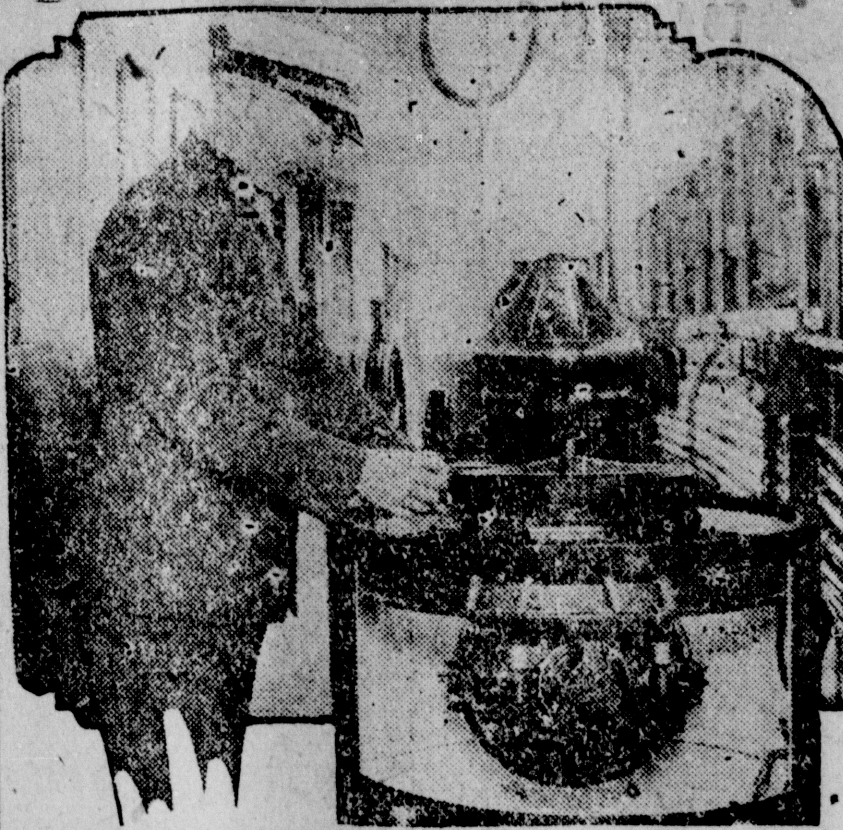

This discussion of the water supply last night following the regular session of the directors of the chamber of commerce, Sec-etary Welch made a number of reports, mostly of a routine char-acter. An audit of the books of the organization made for the past year by R. A. Gates was made a matter of record.

WOULD ABOLISH SALE OF FIREWORKS

Editor of Journal:
I read with a great deal of in-terest the editorial in regard to fireworks in Wednesday's pub-lication. It appears to me that there is no better time than now to enact a city ordinance that will absolutely prohibit both the sale and the use of fireworks in the city of Jacksonville. We are known as the city of progress and we should uphold our name by taking one more step toward a better community. The Fourth has cost this city this year thou-sands of dollars in fireworks alone, as well as the disastrous fire on the square. The loss of a small child's life can never be repaid, even with the pleasure of a thousand Fourth of July's. There is no better time than now to stop this evil, which in itself is not a demonstration of patriot-ism, but an idle and expensive pas-time. Yours for a quiet and safe Fourth next year.

Citizen.

SWIMMING POOL AT PARK NOW OPEN

One of the most interesting fea-tures of the Jacksonville Fourth of July was the opening of the swimming pool at Nichols park. An exhibition was given under the direction of Miss Margaret Ham-ilton, who is a member of the Red Cross life saving corps and instructor in swimming at Illinois Woman's college.

Taking part in this interesting exhibit were Miss Lucille Stevens, Morgan county health nurse and Red Cross life saver and exam-iner; Miss Eleanor Jane Dinsmore, also a Red Cross life saver and a graduate with the 1923 class of Illinois Woman's College.

A difficult program was given, affording ample proof that Miss Hamilton and her associates are real experts. In addition to the program by the young wo-men there was diving and var-ious stunts by Bartley Johnson, Owen Thompson, Jimmie John-son and Jay Hamilton. Several hundred people were at the pool and greatly enjoyed the sport.

The pool, which has already been described, is built after the most modern plan and is so ar-ranged that it can be drained and filled just as often as desirable.

ALTERCATION OVER \$10 BILL CAUSES SHOOTING

Frank Houston Slightly Wound-ed by William Stall—Latter is Held at Police Station.

As a result of a shooting affray which occurred in North West street about 9 o'clock Thursday night, Frank Houston, 25 colored, is a patient at Our Saviour's hos-pital and his assailant, William Stall 60, colored, is held at the police station to answer to a charge of assault with intent to kill.

The shooting occurred in front of the residence at 340 North West street. According to the story told by Stall to Chief Kil-goran after his arrest, the trouble started over a \$10 bill. Stall claims that Houston took the money away from him in the af-ternoon.

Stall who lives at 755 West Railroad street, evidently went home and buckled his artillery on him, figuratively speaking. At any rate he met Houston in front of 340 North West street, the trouble started over a \$10 bill. Stall claims that Houston took the money away from him in the af-ternoon.

Stall took three shots at the fly-ing Houston but evidently he out-ran the lead for he was only hit once. However, two men who were standing near the Eli Bridge Company building talking, had one of the missiles hit the brick wall between them and they also left on the double quick.

Word was immediately sent to the police station of the shooting and Patrolman Williams went to the scene and arrested Stall and he was locked in the station. Houston was taken to Our Saviour's hospital where he was attended by Dr. H. C. Woltman. His wound is not serious.

Deposits made in our Sav-ings Department the first ten days of July will bear interest from the first of the month. FARRELL STATE BANK

JIMMY VAN PELT IS KILLED BY AUTOMOBILE

Car Driven by Rex Shaw Runs Over Boy in East State Street —Death almost instantaneous.

Jimmy Van Pelt, ten years old son of Mr. and Mrs. Roy Van Pelt of Vine street was run over and almost instantly killed by an automobile, driven by Rex Shaw, 695 East State street about 8:15 o'clock Thursday night.

The accident occurred in front of the residence of Dr. W. P. Dun-can's. Mr. Shaw stopped his car and carried the injured boy into Dr. Duncan's office. Dr. Duncan was out on another call and Mrs. Duncan called Dr. J. M. Wolfe, but the boy was dead when he ar-rived. Dr. Wolfe only made a superficial examination but he was of the opinion that lad's neck was broken. His right shoulder also appeared to be badly crush-ed.

According to the story told by Mr. Shaw to the police, he was driving at a slow rate of speed when the accident occurred. This was borne out by the fact that he stopped the car within a very short distance after strik-ing the boy.

Mr. Shaw said he did not see the boy at all before he struck him. It was stated by people liv-ing in the vicinity that the Van Pelt boy was playing along the curbing shortly before the acci-dent. Mr. Shaw was of the opin-ion that the boy did not see the car and darted directly in front of it.

The father of the boy is a car-penter by trade. The family only recently lost a child and there are three children remaining in the family.

The body was removed to the Gilham Funeral Home and pre-pared for burial. Owing to the fact that Coroner Rose is out of the city it is not known when the inquest will be held, but it probably will be today. No fu-neral arrangements have been made.

ASHLAND WON IN CROQUET CONTEST

Defeated Local Men in Straight Games—Had it on Our Players in Experience.

The croquet match between Wyatt and Way of Ashland and Bunce and Stewart of Jackso-nville, held on the new court at the corner of North Fayette and Wal-nut street Thursday evening re-sulted in the Ashland players winning both games.

A good crowd watched the games and although Bunce and Stewart are to be highly com-plimented on the game they played they were outclassed on account of the Ashland players being old-timers at the official game, which the Jacksonville players just be-gan to play this season, as there is a great deal of difference be-tween the game which is gen-erally played as croquet and the official contest game.

WHITE HALL COUPLE HAD ANNIVERSARY

Mr. and Mrs. W. D. Webster Celebrate 53rd Anniversary of Their Marriage—Other White Hall News

White Hall, July 4.—Mr. and Mrs. W. D. Webster attained the 53rd anniversary of their marriage and they celebrated by ceasing business activity and joining in the patriotic observance in Gregory Park on the 4th. Mr. and Mrs. Webster are both in active condition, and it will surprise most people that they carry the age that places them 3-years past the golden anniversary period. They were married at Cordova, Ill., and have resided at several places, notably Minnea-

polis, St. Louis, Omaha and Kansas City, before locating in White Hall in 1910 and engaging in the ten cent store business in connection with their son Ralph. This is a line of business that had been unsuccessfully experimented with by others prior to the coming of the Websters and demonstrating that it can be made a success. Previous to this time Mr. Webster was a commercial traveler, and has a wide acquaintance over western states. He and his wife became identified with the First Baptist church since coming to White Hall, and are liberal and loyal supporters of this institution. It is notable that this church has made great strides since their identity with it, as Mr. Webster is chairman of the building committee that directed the reconstruction work that resulted in dedication exercises last Sunday, in which no one could look back with greater satisfaction for important connection with this delightful consummation than do the Websters. This is saying much, as the improvement is one that all citizens join in praising, and also marvel at the great things wrought with the expenditure of \$20,000. That it is an ideal church edifice is the universal testimony of all who have inspected it.

W. P. Strunk, the veteran C. and A. engineer, called on White Hall friends this week, bringing along a historical relic that is now displayed in Dossett's window and which will later be given a permanent place in the Griswold memorial library. It is a copy of a printed announcement and schedule of the rail and boat service between Philadelphia and Pittsburgh inaugurating the "Pioneer Fast Line" between those points in 1837, the distance being covered in three days and a half. That was the days before Mr. Strunk, became a railroad man in 1858 somewhat, but no one is more interested in railroad development than W. P. Strunk. The time between Philadelphia and Pittsburgh at the present time is less than twelve hours. Mr. Strunk also shows a letter from a son of his old friend of early days on the Pennsylvania. The writer is now president of the Baldwin Locomotive Works, and hale and hearty at 65 years. Mr. Strunk looks forward with fond anticipation to seeing a picture of his original engine, the George Washington, before the end of the year.

FAREWELL PARTY FOR MURRAYVILLE FAMILY
 A farewell dinner was given Sunday, July 1, at the home of Oliver Jones and family in Murrayville, fifty or more of their friends gathering to spend the day with them. Mr. and Mrs. Jones are soon to remove to the Durbin neighborhood and it was because of this fact that the dinner was given.

The guests brought with them well filled baskets of good things to eat, and at noon a bountiful picnic dinner was served on the beautiful lawn. Needless to say, this was one of the most enjoyable features of the day.
 The guests left at a late hour, with pleasant recollections of the day but with regret that the Jones family to leave the Murrayville community. All unite in wishing them happiness and prosperity in their new home.

"1900" Cataract Washer Special Demonstration

More Than a Million in Use
 Phone 459

Arrange to have this Washer Demonstrated on Your Own Work in Your Own Home

Don't fail to see this wonder washer at work. The tub rocks as it swings creating the greatest water agitation of any washer made.

We positively guarantee that it will wash more clothes than any other family size washer made, that it will wash them cleaner—that it will wash them in one-half the time and that it will wash two big double blankets in one tub in eight minutes or it will wash a handkerchief or the finest silks and laces without injury to the fabric.

There is No Machinery in the Tub

Eliminating any possibility of wear on the clothes while they are being cleansed. Removes the danger and strain of lifting any parts. The tub is as easily cleaned on the outside as on the inside. It is made of heavy planished copper. There will be no gummy, grayish deposit on the inside of the tub.

The "1900" is the lowest priced copper tub washer of its size on the market and, like the copper wash boiler, is the cheapest in the long run. Dignified credit terms arranged if desired.

THOUSANDS ATTEND MATINEE RACES ON 4TH

Good Card of Races and Some Fast Time Made—N. T. Kirby Old Time Horseman Was the Starter.

Fully three thousand people witnessed the card of races at the Morgan County Fair Grounds on Thursday. The stands were packed and what would generally be considered a good crowd at any local race meet stayed in their cars which were lined up on all sides of the course.

N. T. Kirby of Springfield who was so long a resident and trainer of Jacksonville acted as starter and handled the work perfectly especially in the Class A pace, in which race the horses had so much trouble in getting away, making eleven attempts in one heat. Mr. Kirby in an advance speech to the crowd highly complimented the people of Morgan county for the grand turnout and for the financial assistance that

they thus furnished for the Fair association.

The Community band furnished the music for the races and were not sparing in either quality or quantity of music all during the afternoon. At intervals during the last of the program J. L. Henry gave announcements by rounds of the Dempsey-Gibbons fight, so the spectators received a double sporting bill.

It was the intention of the management to have a one half mile running race but as only one horse showed up the race had to be called off but the last thing in the evening the owner consented to breeze his horse a half mile for time and to show the crowd her action. The mare, Dardanelle, owned by Martin Anderson of Franklin with Doug Martin up covered the half in .54 3-4 which is very good in the face of the fact that she has only been in training a little more than a week.

The third race which was the free-for-all pace held the most interest for the spectators on account of the entry of Dr. Sperry's fast horse, Moore, Eva Tango, driven by Seeley and Dr. Montgomery's Western Gale being considered as also having the necessary class for this race. Moore did not fare well being handicapped in the getaway in most of the heats as were all of the entries. In the first heat after getting a bad start the Sperry horse stepped out in front and won handsily in the fastest time shown on the track during the afternoon going the distance in 1:04 1-2. After the first heat however he failed to live up to his reputation making some costly breaks. Eva Tango was a consistent performer all thru the race and won the next three heats and the race very handsily with Western Gale showing class by winning second in every heat.

The Morgan County Fair association stated yesterday that the affair met fully with all expectations financially and after deduction of expenses cleared just about the amount necessary to pay for the new barn which was the main object of the meet and they feel very grateful for the large patronage accorded them.

The results of the different races are given below.

Some promising young horses were seen in Wednesday's events. Western Gale, owned by Dr. Montgomery and driven by Geo. Peak, will make the paces go some in future races. The Gale finished second in all four heats Wednesday.

Bert Way of Ashland has his graceful Edna Mayo in training here and has had his head set on beating the track record for trotting which has been 2:17 1-2. Edna Mayo lowered the record Wednesday by going the mile in 2:16 1-2.

PITCHER QUINN WINS OWN GAME

BOSTON, July 5.—Pitcher John Quinn's single in the eighth inning scored two runs and gave Boston the winning margin in the victory of the Red Sox over Philadelphia by a score of 7 to 5 today. The Athletics made eighteen hits but failed to bunch them effectively.

Score: Boston 010 100 210—5 18 2
Philadelphia 010 400 02x—7 10 2

Hasty, B. Harris and Bruggie; Quinn and Piechich.

JESS BARNES HELD DODGERS TO FOUR HITS

BROOKLYN, July 5.—Jess Barnes held the Dodgers to four scattered hits today and Boston shutout Brooklyn three to nothing. The Braves knocked Cadore out of the box in the second inning by bunting four hits for two runs. Henry allowed only four hits during the remainder of the game, but let in the third run in the ninth when he made a wild throw to first on a scratch hit.

Score: Boston 020 000 001—3 8 1
Brooklyn 000 000 000—0 4 2

Barnes and E. Smith; Cadore, Henry and Taylor.

CLEVELAND EVENS WITH DETROIT

CLEVELAND, O., July 5.—Cleveland evened up the series with Detroit and remained in the first division today by winning 10 to 0. Smth, veteran southpaw, held Detroit to four hits while Cleveland batted Holloway and Wells at will. Manager Speaker of the Indians made two singles and two doubles and drew a pass in five trips to the plate, scoring three runs and driving in three others.

CARDS AND PHILLIES

PLAY OLD TIME GAME

Final Score is 14 to 12.—Thirty-Two Players Take Part.—Hornshy Gets Two Homers and Double, Then Retires.

PHILADELPHIA, July 5.—St. Louis stopped off in this city for a single game with Philadelphia today and won a poorly played contest 16 to 12. Hornshy had two home runs and a double in four trips to the plate and then retired from the game. Thirty-two players took part in the game and both teams used four pitchers, none effectively.

Rapp, the Phillies' third baseman was released to the Fort Worth, Texas team on an optional agreement and left to report to his new team.

YANKEES LOSE TO PLEASANT PLAINS

Local Team Led Until Seventh When Pleasant Plains Scored Five Runs and Then Added Three More in the Eighth.

The Yankee Athletic Club nine went down in defeat before the Pleasant Plains Grays at Pleasant Plains in a Fourth of July game by a score of 12 to 7. The game was a hard fought one up to the seventh inning, the score standing 7 to 4 in favor of the Yankees up until this time, when with one down came two hits, three errors, a hit batsman which netted five runs. In the eighth inning with two out, two hits and two walks netted three runs.

Johnson for the Yankees played a stellar game at third. While Shafer for Pleasant Plains was the star for his team, making several spectacular catches. Shafer is a member of Blackburn University nine and is a real ball player.

"Fuzzy Elliott" of Springfield was on the mound from the third inning and pitched in good form. He pitched until the 7th, but his wildness in the seventh and eighth coupled with errors by his teammates netted the opponents the winning runs. F. Christian who was hit in the head by a pitched ball in the seventh was knocked unconscious and had to retire in favor of Kissler.

The Yankees will go to Petersburg next Sunday where they will meet the fast Petersburg Pirates. Petersburg has a good team and a fast game is expected.

DEMPEY STARTS ON FEW DAYS' VACATION

Expects to Start Training in New York August 1 for Wills or the Winner of the Willard-Firpo Battle.

GREAT FALLS, Mont., July 5.—(By the A. P.)—Jack Dempsey world's heavyweight champion, tonight is starting out on a few days' vacation after his confining nine weeks training grind for his championship battle with Tommy Gibbons at Shelby yesterday. The title holder accompanied by his father, Jeany Lavattis his faithful little trainer, Lloyd Stannard, a nephew and Mike Trant, a Chicago detective left for Salt Lake City, Utah, to visit his mother before proceeding on to Los Angeles.

The champion expects to be in New York by August 1st, ready to resume training for a little while with either Harry Wills, the negro heavy weight or the winner of the Louis Firpo-Jess Willard fight. Dempsey understands that Jack Kearns, his manager already has opened negotiations for these bouts. Dempsey was in high spirits for his departure, joking with the big crowd that came down to the station to see him off.

His eye was only slightly discolored. The cut over his right eye was starting to heal nicely. The champion bore no other marks as a result of his 15 round battle.

Members of Dempsey's training staff plan to scatter tomorrow. Harry Draak, the British lightweight, wore a bandage over his right eye, which was completely swollen shut. Draak entered the ring with the eye badly bruised as a result of working with Dempsey and Gorman had no difficulty in closing it. Billy Wells, the British welterweight is matched to box in Omaha while Jack Burke, the Pittsburgh lightweight plans to return home. George Godfrey, the 225 pound negro whose ribs are still sore from the punching he received from Dempsey, intends to return to his home in New York. Suit for \$1750 in damages alleged to have been done to Dempsey's camp, was begun in circuit court today.

With the departure of the champion Great Falls started to march back to normalcy with a better understanding of the term. Several merchants lost heavily on novelty goods which they had expected to unload before the fight. One merchant found himself loaded down with three thousand opera and field glasses, which he had expected to sell to the occupants of the cheaper seats.

SUZANNE LEGNEN LOSES IN DOUBLES

Paired With Jean Washer She Loses to Lycett and Miss Ryan—Richards and Mallory in Semi-Finals in Mixed Doubles.

WIMBLEDON, July 5.—(By The Associated Press)—Mile Suzanne Lenglen has at last lost one of her many championships in tennis. She was forced to give up her claim on the title to the mixed doubles championship of the world this afternoon and what is worse she lost the honor in two straight sets. She and her partner, Jean Washer, the Belgian champion, were defeated 7-5, 6-3, in the semi-finals by the old tennis team, Randolph Lycett and Miss Elizabeth Ryan, veterans of many a four racquet contest. It has been so long since Suzanne stepped off the court a loser that her defeat with Washer came as a shock to thousands in the stadium.

Statisticians are trying to remember when, if ever, Mile Lenglen previously dropped two sets, singles at least since the French girl became a person of renown.

She was gracious in defeat this afternoon, first shaking hands with her partner and then with her opponents with whom she walked off the court chatting playfully. Washer is a left-handed player and this was the first year Mile Lenglen had him for a partner, she having won last year with Patrick O'Hara Wood of Australia. They did not seem to work together easily certainly not with an understanding of what the other would do in the way Lycett and Miss Ryan did.

LITHUANIANS GOING STRONG

Manager Frank Smith reports that the Knights of Lithuania of Springfield who are to be the opponents are going strong having beaten Diverson on the Fourth, and thus making a record of six games won out of eight.

If the Indies furnish the brand of ball Sunday that they have furnished for the last few games the average of the visitors is liable to fall a notch.

Ira Fanning will do the twirling for the locals and considering all things the game should be a dandy all the way.

Fred Lawson was a business day.

Dort Six

The thrill you experience in the swift motion and smooth, silent travel of this Dort Six Sport Model is immeasurably enhanced by the almost unbelievable steadiness with which it holds the road. In appearance as well as performance it is without a serious rival at its price. Beautiful lake blue in color with sparkling nickleed trimmings, it is built on the standard Dort chassis, of 115-inch wheel base. Equipment includes double front bumper, windshield wings, spotlight, stoplight, tailored khaki top, motometer, gray crushed grain leather upholstery, disc wheels, cord tires and aluminum step pads.

Roll the Clouds Away

The car-owning public have all too long "hung crape" on the repair business.

In the long run repairing and maintenance will be the salvation of automobile driving. Cars will never be produced that run forever without expert care.

Just because regrinders and repair men have to do with hard-used, badly misused cars, is no reason why their business should be regarded as low and degrading.

The physician who works over badly diseased bodies, or the dentist who works over foul mouths and decayed teeth has the respect of the public.

To take an abused engine (ready for the junk as some would say) and to put it back into first class working condition, there is glory and satisfaction in it.

It isn't everyone that can do reconstructive work of such a delicate nature.

It always has been and always will be the man who can make something out of nothing, who wins the plaudits and praise of the public.

FAST THROAT AT STATE HOSPITAL

Thousands Attend Day Events and

Much Praise for Hospital Man-
agement.

The entertainment furnished at the State Hospital on the Fourth more than lived up to the expectations of the public, altho they have been led to expect something good at any time that the personnel of the hospital invites the public to any function but in this case everything was of such a high class that none of the thousands who visited the

grounds during the day or eve-
ning could ever attempt to ex-
press their gratification of the
whole performance.

It would be difficult for any
one to state which part of the
performance deserved the most
praise but the unanimous opinion
was that unlimited praise should
be given to the staff and patients
of the hospital who by various
plans raised the funds for staging
the full performance without re-
ceiving any assistance from the
state or others except the assist-
ance furnished by those who so
liberally patronized the bazaar and
other functions held for this pur-
pose.

The concessions were in charge
of the local post of the American
Legion and was unusually well
patronized by the people, who
practically packed the grounds
all day and until 9 o'clock in the
evening.

A balloon ascension was made
by Charles Wiswell at 2:30
o'clock and about 6 o'clock a new
parachute jumper made his de-
but. Wilbur Taylor of North
Main street made his maiden at-
tempt and did a very good job of
it but had a little bad luck in
alighting as he made his landing
place on South Main street and
left his parachute hanging on the
wires to be removed later by the
electric light company.

Watch Factory Band Plays.
The Springfield Watch Factory
band furnished the music for the
day and convinced every one that
they were complete masters of
their instruments. The troupe of
trained bears pleased everyone as
did the Younger family of acro-
bats, consisting of father, mother
and two children.

M. G. Zeldo of Toledo, Ohio,
astounded all of his spectators
with his head balancing stunts,
by sliding down a wire on a roller
skate which was fastened to
his head, balancing himself on
his head on a pair of bottles, a
metal cane, and a pane of glass.

The Minter Fireworks and
Amusement company of Spring-
field put on by far the finest ex-
hibition of fireworks that has
ever been witnessed in the city.
The recent display at the fair
grounds was highly praised by
everyone but the company outdid
itself in the night program. It
would probably take about twenty
people to remember and de-
scribe the different pieces, they
were so numerous, and also had
the crowd bewildered by the
speed and quality of the display.
One of the finest displays in the
minds of a great many, was the
large Flower Pots which threw up
roman candles unendingly in
great showers for several min-
utes. The crowd that witnessed
the display was estimated from
5,000 up by various people and
all were loud in their expressions
of praise.

FARM BUREAU NOTES

White or Brown Eggs.—The
Boston market requires brown
eggs the New York resident pur-
chases white eggs. A New Jersey
Marketing Association, however,
recently reports that they are
getting too many white eggs for
the New York market and would
like to get in touch with a part
of the country that produces
brown eggs. This is the first
real call we have ever had for the
names of producers to ship brown
eggs to eastern markets.

**Have You Buckhorn or Bract-
ed Plantain?**—There is a popular
confusion between these two
terms. The first is a noxious
weed mentioned in the Illinois
seed law; our beautiful Nichols
Park is alive with specimens pre-
sumably procured thru impure
grass seed. Bracted plantain is
also known as poor man's grass.
Many farms have patches of this
where the soil is low in fertility.
The control measures are practi-
cally the same thru the growing
of cultivated crops and sowing
clean seed.

Anthraxose.—Several of our
raspberry growers in this county
have complained of this plant
disease. The experiment station
recommends the removal of the
old cane and the use of three
lime-sulphur sprays. The grow-
ers who have much of this may
well begin to prepare to set out
a new patch.

LOCAL MERCHANT TO WED CHICAGO GIRL

The announcement of the en-
gagement of William Floreth,
prominent young business man of
this city and Astoria, to Miss
Dorothy Foster Brady of Chi-
cago, has just been made.

Mr. Floreth was up to quite re-
cently in business on the west
side of the square in this city.
He is now managing a Floreth's
store in Astoria, Illinois. He is a
son of Mr. and Mrs. William
Floreth of 523 West College ave-
nue and received his education
from Jacksonville High school,
Illinois college and the Univer-
sity of Illinois.

The bride-to-be is a daughter
of Mrs. Flora Rice Brady of 6730
Clyde avenue, Chicago, and is a
graduate of the University of
Chicago.

The date of the wedding has
not yet been made known.

LOCAL EDUCATOR WILL JOURNEY TO MONTANA

Dr. J. R. Harker will leave to-
day for Helena, Montana, where
he will represent the Board of
Education of the Methodist church
at a conference to discuss merg-
ing of the Presbyterian college at

Deer Lodge, Mont., with a Meth-
odist college at Helena.

LITTLE BUGS ARE OAT LICE

Most of the residents of Jack-
sonville and vicinity have been
bothered this week with very
small black bugs which are both
numerous and annoying.

These bugs are known as oat
lice and are quite common some-
times. A resident of Jacksonville
who travels the state a great deal
stated that they appeared several
days ago, in the south part of the
state and are gradually working
their way north in the state. As
a rule they do not last long
which is probably highly satis-
factory to most of the people.

FINANCIAL
Day's total sales 731,000 shares.
Twenty industrials averaged 87.90; net gain .03.
High 1923 — 105.38; low 87.85.
Twenty railroads averaged 77.04; net gain .49.
High 1923 — 90.63; low 76.85.
Total sales (par value) were \$8,850,000.

NEW YORK, July 5.—Prices slumped badly in today's early trading on the stock market and then rallied briskly, closing prices generally showing slight gains on the day. The volume of sales was relatively small, which was to be expected after a holiday.

The increase in Bank of England discount rate from 3 to 4 per cent the apparent Franco-British impasse over the Ruhr problem and further cuts in Gulf Coast, Crude Oil and lead prices accounted in part for the pessimistic sentiment at the opening.

Bear traders offered the leaders freely and succeeded in forcing three score stocks to new low levels for the year including United States Steel common at 89½; Baldwin at 114½; Union Pacific at 125½ and Northern Pacific at 63½.

Selling of some of the high priced rails during the morning was reported to be for the account of European interests.

Some of the conspicuous heavy spots were Brown shoe, common and preferred, General Electric, New Orleans, Texas and Mexico; Laclede Gas; Western Union, Woolworth American Zinc preferred and Chicago & Eastern Illinois off 2 to 5 points. Dupont was one of the few strong spots. United States Government bonds opened firm but eased slightly in the later dealings.

Chicago Livestock

CHICAGO, July 5.—Cattle receipts 13,000. Fairly active on better grades beef steers, yearling and butcher stock generally steady, lower grades beef steers slow, spots shade higher on desirable yearlings, top matured steers \$11.50; several loads \$11.00 to \$11.45; best long yearlings \$11.35; several strings \$10.75 to \$11.00 kinds at inside figures being mixed steers and heifers, choice heifers \$10.00 to \$10.35; bulls about steady on desirable kinds, lights and medium weight sausage bulls unevenly lower; vealers 25 higher; bulk to packers \$9.75 to \$10.75; few at \$11.00; upward to \$11.50 to outsiders.

Hogs, receipts 30,000. Better kinds fairly active, 25 to 35 higher, others slow 10 to 15c higher; bulk 100 to 250 pound average \$7.55 to \$7.70; top \$7.75; 250 to 350 pound butchers mostly \$7.30 to \$7.50; bulk throwouts some \$6.25 to \$6.60; strong weight pigs mostly around \$7.00; estimated holdover 10,000.

Sheep, receipts 10,000. Desirable fat lambs strong to 10c higher; four doubles Oregon averaging 750 pounds \$16.25; bulk best natives \$15.50 to \$15.75; bulk slow \$8.00 to 9.00; mixed doubles Nevada yearlings \$11.50; one double withers with breaker ends \$9.00; fat ewes \$5.00 to \$5.50; extreme heavies downward to \$3.50.

TOPE OF BUTTER MARKET FIRMER

CHICAGO, July 5.—The tone of the butter market here today was firmer. Trading was more active, stocks probably not quite so heavy and confidence more general. There was some improvement in the quality of the receipts but the supply of top scores was still far from burdensome and at the same time there was a lighter supply of undergrades on which demand for the day centered. Some premiums on the 87-90 scores were obtained and a few lots of 92 score were reported sold at 37 cents. The car market was also steady to firm and fairly active with demand pretty well distributed over all scores.

French butter: 92 score 57½; 91 score 36½; 90 score 35; 89 score 34; 88 score 33. Centralized carlots; 90 score 36½.
